

February 02, 2026: When Dirty Pigs Fly

Since I am capable of following along with the world around me in many different ways, I checked the flight tracker app to see who flew their helicopter over our home at 4:05 a.m. and to find out what they are up to tonight.

Here are the results: It was the City of San Antonio and they were going to Raising Canes.

Come and arrest me you dirty filthy pigs. I have a lawsuit waiting for you.
(Give me the reason to file it!)
